American Littoral Society
18 Hartshorne Drive, Suite 1
Highlands, NJ 07732

Valuable Resources

The Society works to protect and preserve the coast. We believe when people get their feet wet and their hands sandy, they become stewards of the shore. We believe in educating children of all ages on the beach and beside the bays. We believe that decision makers will act when faced with a groundswell of public support for strong environmental protection policies.

Our Mission

The American Littoral Society promotes the study and conservation of marine life and habitat, protects the coast from harm, and empowers others to do the same.

Since 1961, the Society has cared for the coast through conservation, education and advocacy. The Society provides a voice for the coast and marine life, and gives concerned citizens the knowledge and tools needed to become active coastal stewards.

The American Littoral Society is a 501(c)3 non-profit organization,
Tax ID 22-1731073

Membership Makes a Difference

Your annual membership supports member programs and projects of the American Littoral Society. Join as a member and support marine science education programs for thousands of students, help protect and restore marine life and habitat, and defend the coast from harm.

Membership Benefits

- Free or reduced rates for select nature-based programs and events
- Regular editions of the Underwater Naturalist magazine and Littorally Speaking newsletters
- Invitation to the special Members Day on Sandy Hook in June
- Right to vote in annual elections for board of trustee members
- Advance notice of special events
- Tagging members are part of the largest recreational angler tagging program in the country, aiding fisheries research, management and protection
